

Quotes from phenomenal  
Canadian women on  
International Women's Day 2021

**“All my life I have stood  
with the working men and  
women. I was proud to  
belong to the rank-and-  
file. Whenever I said  
“we,” I meant “we,” what  
we could achieve  
together. That’s what I  
loved.”**
