

Quotes from phenomenal
Canadian women on
International Women's Day 2021

**"Race is foundational to
all of these phenomena
and entities and
structures and systems
with which we live. If race
doesn't emerge as central
in a transformative vision,
if race is not addressed, it
poses very serious limits
to transformative
politics."**

**SUNERA THOBANI
FEMINIST SOCIOLOGIST &
ANTI-RACISM ACTIVIST**
