19. In which City/Town/Community/First Nation will the project be delivered? Specify all locations.

20. In which Province/Territory will the project primarily take place?

Section 3: Proposal

In preparing your proposal, you must provide information to address each of the following sections under the headings provided.

Your answers to these questions will allow CRRF to assess your application. It is your responsibility to provide all required information and documents. If this information is not provided, the CRRF will be unable to proceed with the assessment of your application for funding.

21. Summarize your event or youth initiative, in a clear and concise manner, including all of the following points: (max 500 words)
- a. A brief description of the main activities*
 - b. Who the expected participants will be, including the communities they come from and their total number*
 - c. Outcomes anticipated from carrying out the project (ex: new skills, new behaviours, additional knowledge, etc.)*
-

22. This funding program is one way that the CRRF is investing in community-based projects in the fight against racism and discrimination in Canada. To help meet this goal, please explain how your event or youth initiative addresses our key themes and expected outcomes.

As well, projects must be designed to achieve one or more of the following expected results:

- *Increase public awareness of public policy issues related to race relations, anti-racism, or anti-hate nationally, regionally, or in local communities*
 - *Increase public awareness of Canada's cultural diversity*
 - *Increase awareness of factors such as race, culture, ethnicity, or religion that may be hindering full participation of the entire Canadian population in society and the economy*
 - *Increase knowledge and capacity within communities to address racism and discrimination*
-

To help meet this goal, please explain how your event or youth addresses our key themes and expected outcomes. (max 500 words)

23. Why is this event or youth initiative needed within the local, regional and/or national context? (max. 500 words)

24. How does your proposed event or youth initiative address the needs you have identified? (max. 500 words)

25. Which communities does your project focus on, and what is their involvement in its design, implementation and/or evaluation? (max 500 words)

26. What is the recognition plan for this event or youth initiative, and how will you recognize CRRF when the event or initiative is completed?

27. Please confirm you have these documents, to upload online:
Itemized budget form
Sponsorship package (if available)

Authorization & Declarations

Authorization: Recipient Community Organization

By completing this section, the applicant confirms that the Recipient Community Organization is a qualified donee and is supportive of this grant application.

You have appropriate signing authority to submit this proposal on behalf of the organization.

Upon submission, your application will be shared with the CRRF for review.
